the minting of a special
commemorative medallion.

Sears now Sears has been an active participant in the design, development, and manufacture of thousands of products. And though a lot has changed in the past century, Sears hasn't. Sears remains committed to offering you selection, quality, and value. To do that, we work closely with manufacturers all over the world. We take special pride in our American-made products. They include names like MAN, KENMORE, Cheryl Tiegs, DieHard, and many more.
